

Hello again FCC Commissioners:

The Ex-Parte filings posted on the ECFS today confirm the age old saying "Everything has been said but not everyone has said it." Or, more like "everything has been said again and again for fourteen months". Keep up the good work of wasting Tax payer's money. Every Penny we taxpayers earn working to the middle of May every year supports agencies like FCC.

Shame on you!

Make a decision, one way or the other.

Respectfully Submitted.
