Re: Notice of Ex Parte Communication,
MB Docket No. 07-91

Dear Ms. Dortch:

On May 1, 2008, Mr. David Donovan, president of the Association for Maximum Service Television (MSTV), met with Ms. Cristina Chou Pauzé, legal advisor to Commissioner McDowell with regard to the above-captioned proceeding.

During the meeting, we discussed MSTV and NAB's request of a one-year delay in implementing the new FCC rule concerning PSIP update and programming overrun. We noted that the equipment is not yet available on the market to allow broadcasters to update programming material immediately.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "David Donovan", is written over a horizontal line. The signature is fluid and cursive in style.

David Donovan
President
