Federal Communications Commission  
445 12th Street SW  
Washington, DC 20554

Dear Communications Commission,

Local radio has all but disappeared from the dial in recent decades. LPFM stations bring community voices back to the airwaves. I strongly urge you to prioritize local programming on LPFM stations over satellite-fed translators across the country. I encourage the Commission to establish rules that fairly promote local ownership and programming over repeated signals from faraway stations. Thank you.

Sincerely,

Ms. Karen Meyers

Dear Communications Commission,

Local radio has all but disappeared from the dial in recent decades.  
LPFM stations bring community voices back to the airwaves.

IT IS IMPORTANT TO INCLUDE AND SUPPORT THE SMALLER LOCAL CONTRIBUTORS  
TO OUR SOCIETY. EVERYONE IS NOT THE SAME AND THE SAME PROGRAMMING

DOES NOT FIT EVERYONE. THE SMALLER, LOCAL CONTRIBUTORS ADD VARIETY AND  
RICHNESS TO WHAT WE CAN HEAR ON RADIO.

I strongly urge you to prioritize local programming on LPFM stations  
over satellite-fed translators across the country. I encourage the  
Commission to establish rules that fairly promote local ownership and  
programming over repeated signals from faraway stations. Thank you.

Dear Communications Commission,

I wish to express my support for proposed rules that will give preference to local LPFM stations over translators. I think expanding the ability of local people to have access to radio will strengthen communities.

Such rules would certainly be in the spirit of the original FCC rules and laws by seeking to allocate the limited resource of the "air-waves" in a way that maximizes the number and diversity of the voices that are heard through those air-waves.  
Thank you.

Sincerely,

Mr. Paul Day-Lucore

Dear Communications Commission,

Voices from my community are what I want to hear on my radio. I have no use for the cookie cutter radio stations that have nothing to do with me other than touting their corporate commercials. Local radio has all but disappeared from the dial in recent decades. I WANT LPFM stations! THEY BRING COMMUNITY VOICES BACK TO THE AIRWAVES! America needs you to prioritize local programming on LPFM stations over satellite-fed translators across the country. America needs the Commission to establish rules that fairly promote local ownership and programming over repeated signals from faraway stations. Thank you.

Dear Communications Commission,

Local radio has all but disappeared from the dial in recent decades. LPFM stations bring community voices back to the airwaves. We all have access to national media and homogenous content that originates "somewhere" and is broadcast "everywhere". Local communities should have individual voices and not be overrun by larger media outlets. I strongly urge you to prioritize local programming on LPFM stations over satellite-fed translators across the country. I encourage the Commission to establish rules that fairly promote local ownership and programming over repeated signals from faraway stations. Thank you.

Dear Communications Commission,

For 35 years my most memorable and important radio listening has been with local radio stations: WNYC, WGBH, WKCR and WFMU in NTC, WGBH and WBUR in Boston and WBRU in Providence.

I could count on these independent sources for smart news and talk shows not enslaved by the tyranny of the majority, and great music that was not dependent on the tyranny of pop charts.

Local radio has all but disappeared from the dial in recent decades. LPFM stations bring community voices back to the airwaves.

I strongly urge you to prioritize local programming on LPFM stations over satellite-fed translators across the country. I encourage the Commission to establish rules that fairly promote local ownership and programming over repeated signals from faraway stations. Thank you.
