Dear FCC:

I can't believe this merger decision has been going on for over 14 months. Chairman Martin make your decision this merger and no merger is this complicated. I like alot of people and these two companies want a decision know. These two companies have done everything you asked of them and for that you make them wait over 14 months for your decision. I can't believe this whats going on here leaves a real bad taste in my mouth. Your decision should have directly followed the DOJ you've had all these months to decide on this merger.

Sincerely,

Ronald Strickler
