Re: *Ex Parte Notice: Telephone Number Requirements for IP-Enabled Services Providers, WC Docket Nos. 07-243, 07-244, & 04-36, CC Docket Nos. 95-116 & 99-200*

Dear Ms. Dortch:

On May 7, 2008, Susan Jin Davis and I met separately with Scott Deutchman, Competition and Universal Service Legal Advisor to Commissioner Copps, and John Hunter, Special Counsel - Wireline to Commissioner McDowell, regarding the standard interval for porting a telephone number in connection with a simple port between wireline voice service providers. Our presentations during these meetings were consistent with Comcast's prior submissions in the above-referenced dockets that urged the Commission to shorten the interval for simple wireline ports.

Pursuant to the Commission's rules, this letter is being submitted for inclusion in the public record of the above-referenced proceeding.

Sincerely,

/s/ Mary P. McManus
