Re: WT Docket Nos. 06-150, 06-169, 96-86; PS Docket No. 06-229

Dear Ms. Dortch:

At the request of Commission staff, Jack Dziak, Sprint Nextel Senior Vice President Strategy; Lawrence Krevor, Sprint Nextel Vice President Government Affairs; and Trey Hanbury, Sprint Nextel Director Government Affairs met yesterday with Johnathan Branscome of the Wireless Telecommunications Bureau and Jeffrey Cohen of the Public Safety and Homeland Security Bureau. We discussed the 700 MHz D Block reauction and encouraged the Commission to take measures to meet the needs of public safety. We recommended that the Commission solicit wide-ranging comment on measures to satisfy the public interest in timely, competitive, reliable, efficient, cost-effective, technologically advanced interoperable communications. Please contact me with any questions.

Sincerely,

Trey Hanbury, Esq.
Director, Sprint Nextel Corporation
