Re: CC Dkt. No.: 94-129; Certification of Exemption from "Drop-Off" Requirement

Dear Ms. Dortch:

Advantage Telecommunications Corp. ("Advantage"), by its undersigned counsel, hereby certifies that it qualifies for an exemption from the "drop-off" requirement set forth in 47 C.F.R. Section 64.1120.

In its decision in CC Dkt. 94-129, the Commission established a mechanism by which carriers' certifying as to their inability to comply with the "drop-off" rule will be exempt from that rule for a two-year period. See Implementation of the Subscriber Carrier Selection Changes Provisions of the Telecommunications Act of 1996; Policies and Rules Concerning Unauthorized Changes of Consumers' Long Distance Carriers, CC Docket No. 94-129, Third Order on Reconsideration and Second Notice of Proposed Rulemaking, 68 Fed. Reg. 19152 & 19176 (rel. March 17, 2003).

Due to technical limitations to the type of service available to Advantage's marketing companies through their local exchange carriers, Advantage's marketing representatives are unable to "drop-off" a call after a three way conference call is initiated. This precludes Advantage from complying with the "drop-off" rule. A certification signed by Robert Sorrentino, President of Advantage, is made in support of these statements under Section 1.16 of the Commission's rules is enclosed herewith.
