RE:Service Rules for the 698-746,747-762 and 777-792Mhz Bands WT Docket
No. 06-150

Dear Mr. Keltz:

On May 12th John Schadler and Les Kutasi from Dielectric Communications met with you at 9:00AM. We discussed ERP levels and promoting higher power for some of the 700Mhzz applications. You provided some guidance on how we can proceed with this concept.

We are filing this comment letter pursuant to commission rules..

Les Kutasi

Director Mobile Media.
