

Get this DEAL DONE! 15 months so far for a YES OR A NO?!?! It's no wonder the rest of the WORLD is knocking on our door and ready to surpass and lead us into the next millienum.

The Justice Department has approved the Merger. It is leagal, it is on its merit justified and in the interest of the People of the United States.

Stop feeling threats from MEGA Media conglomerates who have betrayed the American people and let the FREE MARKET determine the success and failure of all involved.

-I'd fire any team that would take this long to decide on ANY matter in my busiess. This is grossly unsatisfactory.
