Dear FCC:

Dear Sirs,

I am decidedly in favor of this merger.

As both a Sirius stockholder and subscriber, I am concerned about the perceived lack of action. This merger will provide a stronger alternative to terrestrial radio, Internet radio, podcasting, and personal music players. I wish to express my opinion, that I wish for the combined satellite radio company to thrive as an entertainment alternative.

The DOJ has approved it, so what exactly is the hold-up?

Sincerely,

David Miller
