Re: Ex Parte Meeting
CG Docket No. 03-123

Dear Ms. Dortch:

On June 2, 2008, Tom McGarry, Brian Rosen and I met separately with Scott Deutchman of Commissioner Copps' staff and Scott Bergmann of Commissioner Adelstein's staff to discuss NeuStar's proposed solution for providing telephone numbers to the users of IP-based Telecommunications Relay Services. Our discussion was consistent with NeuStar's comments and presentations that are already included in the record.

Sincerely,

Richard L. Fruchterman, III
Public Policy and Regulatory Counsel
