Re: Revised Reply Comments of SouthernLINC Wireless, *High-Cost Universal Service Support*, WC Docket No. 05-337 and *Federal State Joint Board on Universal Service*, CC Docket No. 96-45

Dear Ms. Dortch:

It has come to my attention that the Reply Comments of SouthernLINC Wireless in the above-referenced dockets contained a few instances in which the acronym NCTA, which stands for the National Cable & Telecommunications Association, was inadvertently transposed with the acronym NTCA, which stands for the National Telecommunications Cooperative Association. In order to prevent any confusion, I hereby submit these corrected reply comments. Specifically, the corrected reply comments substitute "NCTA" for "NTCA" in the following footnotes: 76, 97, 103 (and accompanying textual reference) and 115. No other changes were made. Please contact the undersigned if you have any questions.

Sincerely,

J. Isaac Himowitz
