DECLARATION OF JEROLD C. LAMBERT

1. My name is Jerold C. Lambert. I am Vice President and Associate General Counsel for Bresnan Communications, LLC ("Bresnan"). I declare under penalty of perjury that the facts contained in this Declaration are true and correct to the best of my knowledge, information, and belief, and that I am authorized to give this Declaration on behalf of Bresnan.

2. Pursuant to the Memorandum Opinion and Order ("Order") issued by the Bureau in this proceeding on April 16, 2008, prior to the date hereof Bresnan has notified all of its analog customers in Gillette, Wyoming of its transition to an all-digital cable system as early as December 16, 2008, and has in its inventory or has placed orders for enough set-top boxes to ensure that each of its customers in Gillette can continue to view video programming on their television sets after the transition. Although Bresnan expects to be providing additional notice to customers as the transition date approaches, this declaration accordingly satisfies the Order's notice and filing requirements of a declaration within 60 days of the release of the Order and six months before the transition.
