RE: MB Docket No. 04-233

Dear Ms. Dortch:

Since 1912, Catholic Charities of Saint Louis has fulfilled a distinct mission of service to poor and vulnerable persons throughout the Saint Louis community. Presently we offer more than 100 programs to serve the 92,000 individuals who seek our help annually. We are the largest private provider of social services in the state of Missouri.

As such, we continually seek the support from local media partners like BONNEVILLE SAINT LOUIS, Radio Group. They assist us through Public Service Announcements helping to promote fundraising events, volunteer opportunities and live interviews. On many occasions their on-air personalities and/or other staff members will volunteer to help us in a direct capacity. We find their partnership to be invaluable.

I am writing to you concerned that the Federal government may be imposing unnecessary and expensive reporting requirements on our local media. These stations serve us well. Please do not mess up a good thing.

Sincerely,

Daniel R. Shasserre
Vice President Development & Communications
