

RICHARDSON  
REGIONAL  
MEDICAL CENTER

May 27, 2008

Chairman Kevin J. Martin  
Federal Communications Commission  
445 12<sup>th</sup> Street, SW  
Washington, DC 20554

Dear Chairman Martin:

KVIL, 103.7 Lite FM recently participated in Richardson Regional Medical Center's fifth annual WildRide Against Cancer. This bike rally attracts cyclists from all across North Texas and raises more than \$100,000 each year for our cancer center. KVIL helped support the event by creating and broadcasting a public service announcement. They also promoted the event on the KVIL website, and the radio station's Street Team was on-site the day of the ride. We thank them for their participation and outstanding commitment to community service.

Sincerely,

Jennifer Baylis  
Public Relations Coordinator
