Subj: LETTER OF APPRECIATION FOR KJJK 100.3 JACK FM

Dear Mr. Martin:

D/FW Toys For Tots is very grateful to KJJK, 100.3 JACK FM. For three years now, this station has been the radio partner for the Marine Corps Reserve Toys for Tots program, promoting Toys for Tots throughout the 14 county area that our campaign covers. Each year, KJJK has donated airtime, promotion crew time, website info, emails to their database, etc to help get new unwrapped toys from the Dallas Fort Worth community into the hands of children that need them.

This tremendous effort from KJJK has contributed greatly to help the Marine Corps Reserve Toys for Tots program collect nearly 300,000 toys to distribute to children throughout the D/FW Metroplex area.

We truly appreciate their support and look forward to working with them in the future!

Sincerely,

A handwritten signature in black ink that reads "Amy L Raines". The signature is written in a cursive, flowing style.
