Re: Service Rules for Advanced Wireless Services in the 2155-2175 MHz Band (WT Docket No. 07-195); Service Rules for Advanced Wireless Services in the 1915-1920 MHz, 1995-2000 MHz, 2020-2025 MHz and 2175-2180 MHz Bands (WT Docket No. 04-356)

Dear Ms. Dortch:

On June 13, 2008, Carl W. Northrop and Michael Lazarus of Paul Hastings, Janofsky & Walker LLP, representing MetroPCS Communications, Inc. ("MetroPCS"), participated in a conference with Angela Giancarlo, Legal Advisor to Commissioner McDowell, to discuss the above-referenced proceedings.

The oral presentation during this conference was consistent with the pleadings and *ex partes* filed on behalf of MetroPCS in the above-referenced proceedings. In addition, MetroPCS advocated that the Commission seek comment on any proposed rules governing the AWS-2 and AWS-3 bands, so that the Commission can release a final order that is based on a full and complete record informed by comment from interested parties.

This letter is being filed pursuant to Section 1.1206 of the Commission's rules. 47 C.F.R. § 1.1206.

Kindly refer any questions in connection with this letter to the undersigned.

Respectfully submitted,

Michael Lazarus
of PAUL, HASTINGS, JANOFSKY & WALKER LLP
