Another favorite thing, Chris, was "employing" each scout as a member of the station. They liked being involved. They learned what skills are important and required for an adult career. You told them that they *have* those skills already! That made them feel good!

Dear Trey:

On behalf of the Ad Council's Board of Directors, I would like to thank you for WKBD-TV's steadfast support of our PSAs. In 2006, your station demonstrated a remarkable commitment to public service by donating valuable and substantial airtime to the Ad Council's PSAs.

Your contribution enables the Ad Council to communicate public service messages that help raise awareness, change behaviors and ultimately, save lives. In appreciation, we have shed light on your wonderful support by mailing a letter to Congressman Knollenberg (please see enclosed). This is one small gesture we do every year to thank those select TV stations who have demonstrated an exemplary commitment to our PSAs.

We are happy to report that in 2006, the media--TV, cable, radio, newspaper, magazine, online, alternative and outdoor--donated more than \$1.9 billion in time and space to our campaigns. It is only because of the collective and extraordinary generosity of stations such as WKBD-TV that we can proudly report such an impressive amount.

Moreover, broadcasters such as yourself allow the Ad Council to continue to communicate vitally important messages to local communities across the nation. Your support has been essential whether it's our *Generous Nation* campaign, which motivates Americans to give more of themselves in the course of their daily lives, our childhood obesity campaign or our "Boost" campaign, which motivates students to stay in high school.

For 65 years, the Ad Council's mission has been to leverage the power of the media and advertising communities to create positive social change. WKBD-TV's support and dedication to public service makes that possible and we are extremely grateful.

Should you have any questions or would like the Ad Council to send letters to any other Congressmembers in WKBD-TV's viewing area, please contact Danna Kulzer, the Ad Council's Director of Nonprofit and Government Affairs at dkulzer@adCouncil.org or (212) 984-1905.

Dear Mr. Fabacher:

On behalf of the Highland Park Board of Education, administration, students, and staff, I extend sincere compliments and congratulations on the production and telecast of your excellent program, "Building Bridges: China," so ably hosted by Carol Cain. We warmly appreciate the inclusion of Highland Park Community High School students Twila Canion and Douglas Manigault III, who, accompanied by Highland Park Board of Education member and retired educator Mrs. Alma L. Greer, visited China and gained valuable educational experiences.

This telecast which we viewed on Tuesday, December 18, at 6 p.m. on WWJ-TV was an informative, enlightening public service fostering broader understanding of the paramount importance of building educational bridges with a nation whose breathtaking economic growth has catapulted it into the global forefront. Having visited China with an educational delegation in June 2007, I witnessed the far-reaching value of building such bridges and discerned the kind of positive impact which your program likewise can promote as we encourage students to envision and pursue growing opportunities in international business and world affairs.

Thank you for this timely and impressive contribution to public and student awareness on a topic of unsurpassed significance to us all.

Best wishes for continued success.

Sincerely,

Dear Mr. Fabacher,

Congratulations on the series "Building Bridges: From the Great Lakes to the Great Wall." It was an informative and well presented documentary on China and our relationship to it. As you know, I have traveled to China three times (2005, 2006 and 2007) to promote investment and business attraction to Wayne County and the southeast region. There is much to learn about the Chinese culture, government and business environments. Most importantly, we must build mutually respectful relationships that establish the baseline for getting things accomplished.

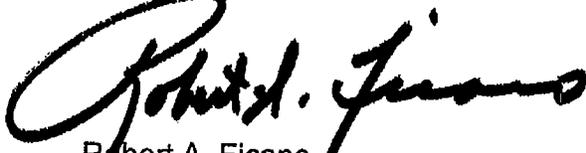

WWJ-TV/CW 50 Community Affairs and Editorial Director Carol Cain traveled with the Wayne County delegation last October as part of her background, research and interviews for the series. I saw first-hand the WWJ-TV team's hard work, dedication and commitment to tell the story of life in China and what it means for the United States in general and Michigan in particular. The program provided an enlightenment, understanding and discovery of the people, culture and education. It captured the essence of what a global force China is on the world stage.

Building Bridges showcased in detail many attributes that make China the world's global leader in economic development and business growth. It also showed the stark differences of the people and their quality of life in how they live, work and play. In addition, the program did not shy away from environmental and human rights issues. The series provided a broad look at the country.

Wayne County is committed to building on the partnerships that have been established with our China counterpart cities. We continue to identify collaborations and partnerships that will help grow our local economy through investments, education and jobs. I commend you and your team for such a fine documentary that certainly helps us with our mission.

WWJ-TV has taken bold steps to share with its viewers a world perspective that impacts us all. Thank you for bringing the world view right into our living rooms.

Sincerely,

Dear Heather,

On behalf of the board of directors and staff of the Ann Arbor Street Art Fair, a 501(c)3 non-profit community arts organization, we would like to thank CBS Detroit & CW50 for their support of the Original fair. Your sponsorship allows us to continue a forty-eight year long tradition that attracts artists and visitors from all over the country.

The Ann Arbor Street Art Fair, the Original, has been recognized as one of the top ten Art Fairs in the nation according to a recent survey conducted by *American Style* magazine as well as "The Best Place to Buy Art" by the readers of the *MetroTimes* in their "Best of" issue. This success is due to the exceptional artists who choose to come, the volunteers who lend us their time and expertise, and the investment from partners like you who participate with us at the fair.

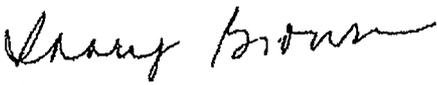

In the next few weeks you will be receiving a more complete profile of our experience this summer. The preliminary media reports indicate we received great coverage including being the only outdoor art festival included in an article in the *Wall Street Journal* (*Wall Street Journal*, "Art For Less", Saturday/Sunday, July 21-22, 2007), daily coverage in *Detroit Free Press* and *Detroit News* as well as extensive coverage on *Detroit television*. The media audit reports will follow as well as copies of key print materials.

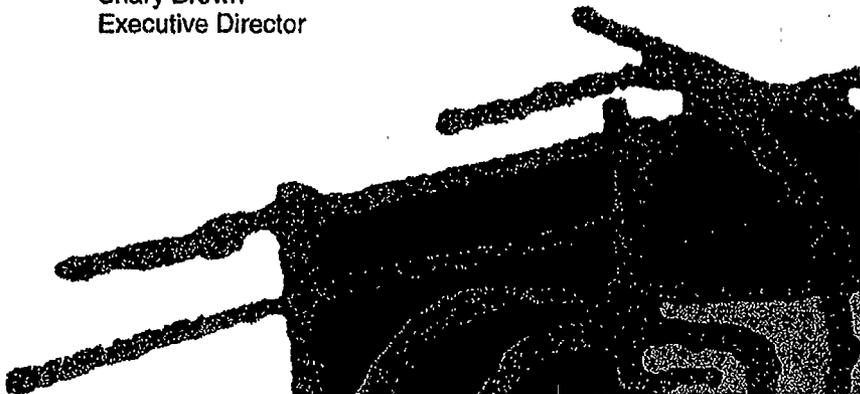

We enjoyed having you on site this year. The Survivor auditions seemed to be a big success and were a great addition to the fair. We hope you will continue to partner with us, as we strive to continue our position as one of the leading art fairs in the country.

Thank you again for your support of the Ann Arbor Street Art Fair, the Original, and we look forward to working with you in the future.

Dear Mr. Michell:

On behalf of the Michigan Chronicle and Real Times Media, we would like to take this opportunity to thank CBS/CW50 for sponsoring the Pancakes & Politics series for 2007.

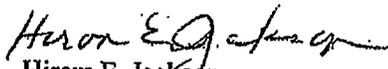

The series was a great success. We are pleased to report that we reached full capacity at each event, serving over 1,000 in attendance. Our guests acknowledged the series as having timely and engaging topics as well as the key opinion leaders to lead the discussions. As you know, the goal of each forum is to generate dialogue and share ideas centered on issues that affect the economic and social well being of metro Detroit.

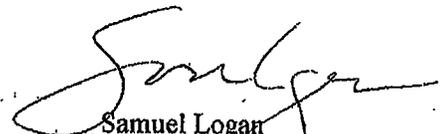

As a sponsor, you are indeed part of the success of the Pancakes & Politics series. We realize that it is because of your sponsorship that we are able to provide such a quality program. We value your corporate goodwill. It is our sincerest hope that you found this partnership to be equally beneficial.

Pancakes & Politics has become a staple program in the community and we plan to build upon the continued momentum for the 2008 series. We would once again like to have your participation. We will be sending a sponsorship package to you in the coming weeks and hope to have you on board for next season.

Again, we appreciate your support and look forward to working with CBS/CW50 in the near future.

Dear Ms. Gray,

We cannot thank UPN 50/CBS enough for its support of Willie Horton's Batting for Kids. Over the last 6 years we have raised over \$120,000 to help support the operating cost of the critical programs an intervention service we provide. Last year alone, Don Bosco Hall reached over 2,500 severely disadvantage and at-risk youth and their families. Willie Horton's Batting for Kids has opened up an opportunity to more than 2,000 kids to be exposed to a once in a lifetime experience that positively influences their future. We could not have done this without your partnership.

As you know, the Tigers are coming from an extraordinary 2006 winning season and we have big hopes that this will influence our corporate and individual participation this year. I have several new things to report: Willie Horton has increased his participation even more and is setting time out to personally meet with community leaders to share the importance of this program and its positive impact on the community. The event date has been set for *Monday July 16, 2007*. Willie Horton's Batting for Kids has always had many recognition opportunities that include company logo placement on your Public Service Announcements. Some sponsorship participation levels include viewing the game and awards ceremony from a private suite, autographed Willie Horton baseballs, your company logo on the Tigers video tron and more.....

Prior to his resignation, Mr. Foxworth agreed to commit to being a Steering Committee Member and Media Sponsor. I am writing to ask you re- confirm CBS/UPN Detroit's support of Don Bosco Hall again this year. Mr. Horton has already reserved May 21, 2007 as a possible date to tape the PSA at Comerica Park. I really appreciate your consideration of our request, either I or Christine Gavin-Patterson will follow up with you to discuss.

EDWARD

On behalf of the National Multiple Sclerosis Society, Michigan Chapter, I want to thank you for your participation in the Detroit leg of the 18th Annual Christopher & Banks MS Walk.

As Detroit MS Walk Grand Marshall, your energy, enthusiasm and commitment to an enjoyable and informative event were integral to the success of the day.

Because of your involvement, more than 16,000 people in Michigan who have been diagnosed with multiple sclerosis, are one step closer to a cure. It is expected that the MS Walks in Michigan will raise more than 1.3 million dollars, funds that will allow the National MS Society, Michigan Chapter, to continue providing more than 100 programs and services to people living with MS in Michigan and their families. Funds raised from the Walk also go to support research projects that will one day lead to a cure for this devastating disease.

Your participation in this year's event was sincerely appreciated. We hope we can count on your support again in the future.

Thank You!

Dear Mr. Foxworth: *Ed*

Thank you so much for your support of the *Third Annual Showdown In Motown*. We are grateful to CBS Detroit & The CW50 for the continued commitment to our young people and the community. We have enclosed a certificate of acknowledgement with our sincere appreciation to CBS Detroit & The CW50, as well as a program booklet that also acknowledges your support.

The Showdown event was very successful and everyone who attended had an enjoyable evening. Our final numbers are not in, but as of today's date we have raised \$48,715 from this year's Showdown In Motown. This is great news for us as several of our major sponsors from last year did not commit to this year's event. Thanks to companies and supporters such as you a \$20,000 gap was filled. With an increase in sponsorship and a reduction in expenses, we surpassed last year's event by \$6,000.

We are starting early this year with the planning of next year's *Fourth Annual Showdown In Motown*. Please review the enclosed sponsorship form and let us know of your commitment. If you are unable to give an exact amount at this time, please indicate that you do want to sponsor next year's Showdown, but unable to commit to a dollar amount.

Again, thank you for the continued support to the young people of Detroit who are rebuilding their lives and their communities.

Mr. Edward Foxworth III

Detroit, MI 48224

Dear Edward,

The Boys Hope Girls Hope 15th Annual Golf Classic was another successful event - thanks to you! With your help, the outing raised over \$175,000 for our children. In other words, in one day we have more than covered the scholarship assistance to our six collegians, all of the private college preparatory tuition, books and fees for our middle and high school scholars, and the gas money to get them to and fro for the year. How wonderful!

The best way that I can express my gratitude to you is to highlight the accomplishments of our most recent graduates: Larissa earned her diploma from Dominican High School this month, making her our first Girls Hope graduate. She is off to college next year (the first in her family). Her goal is to become a lawyer so that she can champion the cause of those in-need. Jovan graduated from Wayne State University in May. As he establishes his career in business, he continues to reach out through his church to run youth empowerment seminars, teaching and encouraging young people to live well and healthy. The twins, Nick and Alex, received their degrees from the University of Michigan in late April. Alex is attempting to make a living in the performing arts while Nick is working to begin his business career. As they are busy with these tasks, Alex still participates in the leadership of the U of M branch of the NAACP and Nick continues to conduct service projects as the outgoing president of his fraternity.

So you see, Boys Hope Girls Hope works. Our children are maturing to become productive and caring adults. Your participation in the Golf Classic raises the money that provides them the opportunities to do so. You are making the difference!

Please save June 5, 2006 on your calendar so that you can participate in the Boys Hope Girls Hope 16th Annual Golf Classic!

With gratitude,

Timothy J. Hayes
Executive Director

Dear Edward,

You have made a difference in your local community in the fight against diabetes! Because of your support, our 16th annual *America's Walk for Diabetes* was successful, raising over \$280,000. We were fortunate to have good weather and great company, with more than 1,400 participants and 225 team captains.

We hope that you enjoyed your Walk experience. If you have qualified for a Thank You Gift, your prize voucher will be mailed in approximately 6 weeks. If you would like to continue fundraising for a cure, the *America's Walk for Diabetes* online fundraising site remains open for your convenience. Alternatively, you can mail late donations to the ADA's office in the enclosed envelope.

The mission of the American Diabetes Association (ADA) is ***to prevent and cure diabetes and to improve the lives of all people affected by diabetes.*** Funds raised through *America's Walk for Diabetes* support research, advocacy and essential programs and services, like the Diabetes Expo and the ADA's Camp Midicha, Michigan's only residential summer camp dedicated to, and designed for, children and teens with diabetes.

We live in a nation where more than six percent – 18.2 million people – have diabetes, and the number is on the rise. As the challenges that diabetes presents continue to increase, the American Diabetes Association will be there *with you and for you*, fighting to prevent and cure this devastating disease.

On behalf of Randee Loberman and Stephanie Rahm – your ADA Walk Team – please accept our sincere gratitude for your support of the American Diabetes Association. Please feel free to call me at 1-888-342-2383 or email me at mriegle@diabetes.org if you have any questions or concerns.

We look forward to walking with you next year!

Warmest regards,

Mary C. Riegle

Dear Edward:

On behalf of the 2005 Concours d'Elegance at Cranbrook President, Chairman, and Marketing Committee we would like to extend our heartfelt thanks and gratitude to CBS Detroit for your sponsorship support in this year's event. The Concours d'Elegance at Cranbrook is a massive undertaking and only through the generous donations of sponsors and patrons like you are we able to pull the events off!

Our expanded Concours weekend that included the Friday Tour of the GM Design Center led by GM Global Design Chief Ed Welburn, our expanded Saturday Driving Tour and the Saturday night Starlight d'Elegance Gala and Auction at the GM Heritage Center, were all very well received by you. Even before the weekend was over, it was clear that in spite of the torrential rain Sunday morning, the 2005 event was our best Concours yet, and it was only our third year! Post event buzz from car owners, attendees, media, sponsors and exhibitors has been unrelentingly enthusiastic – about the exhibition environment, as well as the quality of entries.

Support of this year's event which was evidenced by the owners putting their magnificent vehicles on the show field under the early adverse weather conditions is a testament to the dedication to the classic car and motorcycle hobby and deeply appreciated by us. Without the support of sponsors like you, events like the Concours d'Elegance at Cranbrook could never happen. You are as much a part of the team that made Cranbrook a success as any of us.

Above all, we hope that you had an enjoyable time at our Concours and that you felt welcomed and appreciated. We are well aware that the success of our event and similar events rests on a few key elements, the most important of which is building strong lasting relationships with sponsors like you, and it is our hope that your experience at our event will help our relationship develop into a long-lasting friendship and that we will see you again and again.

Of course, the Concours d'Elegance at Cranbrook is a young event and still growing. We are committed to make the 2006 event even better and more appealing to all. We would welcome any comments or suggestions you might have on how this might be best achieved.

Again, we thank you for your generous support of the Concours d'Elegance at Cranbrook and look forward to working with you and your team to produce another very successful event next year.

With much appreciation and gratitude,

Concours d'Elegance at Cranbrook

Dear Edward:

On behalf of The Salvation Army Eastern Michigan Division, we extend our sincerest thanks to you and your staff at WKBD-TV for your generous support during our 2004 Red Kettle Campaign. It is because of your unwavering commitment that The Salvation Army continues to be one of the most well respected and recognized charities in Southeast Michigan.

As a result of the kindness of Metro Detroiters who heard the call of The Salvation Army and in part because of your coverage, donations raised this year from the red kettles totaled \$5,076,085, an increase of five percent from last year, despite many challenges.

Red Kettle contributions help serve 6,000 meals each day and provide a bed for nearly 1,700 homeless men, women and children each night in Metro Detroit alone. Donations also support programs that assist with substance abuse and teen pregnancy; summer camps and neighborhood recreation; shelter and clothing for thousands in need; and Emergency Disaster Relief.

We're proud to report that \$.88 of every dollar donated goes toward helping our neighbors in Metro Detroit that need our services most.

Again, we appreciate your help in "Making Change Happen."
