**Re: Written Ex Parte Communication  
In the Matter of Digital Audio Broadcasting Systems and Their Impact on  
the Terrestrial Radio Service, MM Docket No. 99-325**

Dear Ms. Dortch:

On behalf of the National Association of Broadcasters (NAB), attached for inclusion in the record in the above-referenced proceeding are NAB's comments and reply comments previously filed with the Commission in response to the Notice of Proposed Rulemaking in MB Docket No. 04-233, *In the Matter of Broadcast Localism*.

The attached pleadings provide extensive evidence of the public interest harms that would result from the Commission's adoption of a ban on unattended operations by broadcast stations, which is among the issues being addressed in the instant proceeding.

Please direct any questions to the undersigned.

Respectfully submitted,
