**Re: Notice of *Ex Parte* Communication
MB Docket No. 07-57**

Dear Ms. Dortch,

On June 19, 2008, David J. Field, President and Chief Executive of Entercom Communications Corp. ("Entercom"), John C. Donlevie, Executive Vice President and General Counsel of Entercom and Weezie Kramer, Regional President of Entercom met with Commissioner Deborah Taylor Tate and Amy Blankenship, Legal Advisor to Commissioner Tate, to discuss Entercom's concerns consistent with its August 27, 2007 and May 5, 2008 filings in this proceeding regarding the proposed XM-Sirius merger. Entercom urged that the proposed merger was not in the public interest. The following issues were included in these discussions: (i) the proposed merger would create a national monopoly in satellite and will stifle competition in a number of areas; (ii) the proposed merger would not create a fair and level playing field for competing audio services, allocating 25MHz of spectrum in one licensee, which is more than allocation to the entire AM and FM radio bands combined; and (iii) the Commission should carefully vet the allegations raised in the recent filing by the Consumer Coalition for Competition in Satellite Radio before taking any action on the merger application.

In accordance with Section 1.1206 of the Commission's Rules, 47 C.F.R. § 1206, one electronic copy of this letter is being filed in the above-referenced docket. Please direct any inquiries concerning this matter to the undersigned.

Respectfully submitted,

A handwritten signature in blue ink that reads "Carrie A. Ward".
