

I Gary a.peabody want you to not violate first amendment rights.the fcc must not force radio stations,especially religious broadcasters,to take advice from people who do not share their values.the fcc MUST NOT turn every radio station into a public forum where anyone and everyone has the rights to air time.proposed public access requirements would do so-even if a religious broadcaster conscientiously objects to the message.the First Amendment forbids imposition of message delivery mandates on any religion.And I Gary a.Peabody do not want our First Amendment rights violated.so please do not pass mb docket no. 04-233
