Docket 90-357, RM No. 8610, MB Docket No. 07-57

Dear Ms. Dortch:

This letter provides notice that on June 26, 2008, the undersigned, Jennifer M. McCarthy of NextWave Wireless Inc., participated in a telephone conversation with Wayne Leighton, Special Advisor, Wireless and International, to Commissioner Tate regarding the above captioned proceedings.

The participants discussed the need for rapid resolution of the WCS/SDARS rulemaking proceeding proposing changes to both Part 25 and 27 rules that are hindering WCS equipment development, network design, and service deployment. The need for out-of-band-emission relief for WCS mobile transmitters was addressed. Also discussed was the pending merger application filed by XM and Sirius and the need to resolve the co-existence issue with WCS in order to enable WCS licensees to complete their recently extended construction requirements within the next two years.

Respectfully submitted,

A handwritten signature in black ink that reads 'Jennifer M. McCarthy' followed by the initials 'ATP'.

Jennifer M. McCarthy  
Vice President, Regulatory Affairs  
NextWave Wireless Inc.
