

55	10/25/2007	Agent was asked to dial a frequent dialed number by the customer. The agent began asking for a 10 digit number and continued asking for the number, the customer then asked for a supervisor and the agent hung up before the supervisor got on the phone. No follow up requested.	10/25/2007	Supervisor coached the agent to follow customer's instructions and never hang up on a customer. Agent understands.
56	10/25/2007	Agent reached a tty answering machine and did not relay the tty msg to the caller. The agent also hung up on the voice customer.	10/25/2007	I spoke to the CA regarding this call. She thinks it was a technical problem in which the computer dropped the inbound call. This CA knows how to process a voice to tty answering machine call but we reviewed the procedure regardless.
57	10/25/2007	Accuracy of captions	10/25/2007	Customer shared feedback regarding accuracy of captions and that she asked the party to clarify. Customer Service Representative apologized for incidence and thanked customer for the feedback and informed appropriate captioning service staff for follow up with the CA. CA will be further monitored to ensure quality of captions.
58	10/22/2007	A TTY customer called to report that when he reaches agents who don't send the "your caller ID will send" macro, his messages garble. When that macro is sent, they seem able to read his messages. Apologized. Explained that the computers send the macros; the agents do not have that control. Opened a trouble ticket. Follow-up requested.	10/22/2007	The customer has a TTY that is 17 years old, so I asked the equipment distribution provider to send him a letter and application for a new TTY. The customer was thankful for my assistance with getting him a new TTY.
59	10/19/2007	An IL voice customer called to report that when she calls relay, her number is not showing up, so agents have to ask her to provide that before they can call. This has been going on for three weeks now. Apologized. Opened a trouble ticket. Follow-up requested.	10/19/2007	Spoke with the customer and told her she needs to contact her phone company to check the originating line information as they are not sending us the correct number, causing the problem she has been experiencing. She stated she would call them to have them fix it.
60	10/12/2007	IL VCO user complains her relay calls keep garbling, preventing her from being able to communicate. Apologized, but customer could not read my typing. Test called back but garbling continued. Entered TT 5107974 Customer did not ask for contact.	10/12/2007	There was a bug in the system and we are working on fixing it. Customer did not request follow up.
61	10/12/2007	711 test calls made by IL state customer and when the operator picked up the customer heard operator say, "You are such a big liar!" customer said, "Pardon me?" and operator said, "Illinois relay, operator # xxxx." The call was made 10-11-07 at 1:30 PM. (complaint submitted by Program Manager who is requesting follow up to contact their customer regarding this complaint) Program Manager requests contact	10/15/2007	The agent was spoken to and agreed that to refrain from conversation when a call arrives at the workstation and will focus on her calls. Program manager was updated on status.
62	10/3/2007	Customer asked agent to place a call. The agent would not dial the number. Customer thinks she was asleep on the job. Apologized to the customer and informed them that this would be documented and forwarded to the agent's supervisor.	10/3/2007	Discussed with operator.
63	10/1/2007	Technical - General	10/1/2007	Technical support made an adjustment in the system to resolve other party's experience. Other party now able to make captioned calls to CapTel user successfully.
64	9/24/2007	Billing - General	9/24/2007	Assigned CapTel user's preferred carrier of choice designation to allow them to make long distance calls from CapTel phone. This remedied the circumstance.

65	9/22/2007	9/21/2007 @ 10:50 pm Customer called and complained CA did not follow instructions. Customer instructed CA to relay message to customer's dad if the phone was answered not to leave message on the answering machine. CA left message on answering machine and hung up on customer. Customer called back and wanted CA to apologize. Agent apologized.	9/22/2007	Agent does not remember the call. Coached agent on following all instructions that are provided by the customer, and to not disconnect on any customers regardless of the situation. Instructed agent to get a supervisor to assist with the call, if the request are not clear and clarification is needed.
66	9/14/2007	Customer Complaint: Received by Program Manager, the caller said that the CA hung up on her, she does not know why.	9/14/2007	Agent was not working at that time of the reported incident.
67	9/14/2007	Customer Complaint: Caller reported to the Program Manager that the CA hung up on her mother in the middle of the call and then when she called her back she got him again and he told her to stop speaking before she was done. She stopped as she thought maybe he was struggling to keep up with her, but he went ahead and typed in "GA" to her mother. She told the agent that she was not done speaking and he stated he is the one to make decisions on when to send the "GA" and that he has been working as a CA for 15 years. She stated that he was cocky to her twice in one day when she was trying to reach her mother. Customer Service Response: Received this in TRS email	9/14/2007	Supervisor met with CA. CA did remember call and stated that outbound kept disconnecting and inbound thought it was the CA hanging up which it was not. When call progressed and voice person paused in speaking CA sent the GA for the outbound to respond and then inbound started talking again. Inbound was upset that Ca had sent the GA and felt he was rude in not waiting for her for longer.
68	9/11/2007	Voice caller complained that agent was rude to her and wanted Sprint to send her an apology back for being rude to her. Did not give agents id number or supervisors id that took her call earlier. This caller was rude to agent and supervisor.	9/11/2007	No action taken without an agent id. Complaint closed.
69	9/4/2007	Customer Complaint: Caller is upset about the operator greeting that includes, "your caller id will send". Customer claimed to have made thousands of complaints to various people. This information means nothing to her and wastes her time and other VCO user's time who are friends of hers. Customer Service Response: Given by MA Customer Service representative on 9/1/07 at 11:00. He explained that allowing for state, ADA, and other requirements we are interested in improving our service to remain competitive and would forward her complaint to a program manager. Follow up requested.	9/4/2007	Talked with customer today and she stated it is a waste of time to send the "Caller ID" macro. I told her we had to follow the contract and also have not received this complaint from other customers. I gave her my email address if she needed to contact me and she thanked me several times for calling her. Customer was satisfied
70	8/28/2007	Caller's daughter had received a relay call and someone cursed at her. Caller stated that we should not use foul language when a call is placed to a young person and felt that relay should refrain reading curses.	8/28/2007	Apologized and explained the role of the CA is to facilitate the call and that the CA is required to read everything that is typed. Caller disagreed but then inquired about employment opportunities. Caller was referred to Customer Service for location information.
71	8/28/2007	Disconnect/Reconnect during calls	8/28/2007	Customer experiences occasional calls where the data connection is disrupted-mostly from a cellular user. Sent customer information explaining the difference between a CapTel and a traditional phone and its need for a line that can sustain a data connection. Sent an email with tips on what could reduce disconnect/reconnect occurrence. Also did test calls with customer and advised asking the phone company to verify the performance of the line to carry a data connection.
72	8/26/2007	Customer was having a conversation with outbound and began receiving no response from the outbound or the agent. Thinks agent disconnected the call, however it could be technical too.	8/26/2007	Customer did not request follow up. Case is closed.
73	8/23/2007	Customer was billed via Sprint for long distance charges to Poland.	8/23/2007	Customer does not have a profile, updated it and credited customer's account.

74	8/22/2007	Customer can dial out but cannot receive incoming calls from IL relay. Her hearing friend tried to call her and said the agent hears PC tones then the line disconnects. RCS response: Thanked the customer for letting us know and assured that a trouble ticket would be turned in on the problem. Trouble Ticket 4772059	8/28/2007	August 28: Left a voice message for customer to call me. Spoke with customer today and she stated that she contacted her phone company and all is working well now. She thanked me for calling her.
75	8/20/2007	Carrier Of Choice (COC) information was not available for Relay to process call correctly even though the COC was in the database. Advised Trouble Ticket would be entered. Customer requests contact.	8/28/2007	Sent a letter to the customer's carrier about carrier of choice and what steps they need to take in order to be added to our carrier of choice program. Customer thanked me for sending this.
76	8/17/2007	Billing - General	8/17/2007	Technical Support registered cell phone user's carrier to resolve caller's inability to reach CapTel user via CapTel Service.
77	7/31/2007	The customer has had this agent before and they are always slow to respond to the customer's requests. Apologized to customer. They do not request follow up	7/31/2007	This Agent is new. Team Leader spoke with her and told her she knew that she was new to the floor and the callers did not know that. Team Leader reminded CA to do her best and if she did have any trouble to ask the caller to hold one moment and then call a Team Leader for assistance so the call is not delayed unnecessarily
78	7/31/2007	Voice customer uses Relay often & always very pleased with service but recent call, 7-31-07 9:20A was unacceptable. Agent was rude from beginning of call. The customer advised agent they may reach an answering machine. The agent replied "then you don't need this service!" When customer's friend cannot ans the phone a typed msg can be left on their phone. When agent told the customer to leave msg themselves the customer responded "no I can't". After this point the agent was silent for 20-25 seconds until customer asked if they were dialing out or on break. No response from agent but customer could hear typing. Finally the agent said he typed what she was said on ans mach. (apologized for problem) Customer requires contact. Customer called Customer Service this morning at 9 30 am to inquire when the Supervisor is going to contact them. Customer said she never has problems with any of the relay operators, and was surprised when this operator was rude to her. Customer Service apologized to the customer. Customer Service is going to email the Supervisor this ticket is assigned to.	8/6/2007	Team Leader spoke with this agent about all answering machine procedures. Also spoke to the agent about his tone of voice and how it can affect his calls without him realizing it. He understands. Team Leader called customer at 5:40pm on 8/9/07. Spoke with her and she was satisfied with the resolution.
79	7/29/2007	VCO customer was very upset that agent did not read his notes and follow his instructions in the notes. Agent dialed out without verifying the number with him.	7/29/2007	Agent could not understand the number given. Asked customer to repeat the number. He wouldn't so she ended up dialing a wrong number. Team Leader instructed her to follow inbound notes and to follow customer instructions. Agent was very upset about inconvenience to customer.
80	7/27/2007	Accuracy of captions	7/27/2007	Customer shared feedback regarding 1 word error in the call which caused a misunderstanding accuracy of captions. CS Rep apologized for incidence and thanked customer for the feedback and shared the feedback and CA # with appropriate captioning service staff for follow up.
81	7/23/2007	TTY customer reports that agent typed "no answer" and disconnected the call without giving the customer the opportunity to make another call. The call was made today, 7-23-07 at approx 10 AM. (apologized for the problem) Customer request contact with an apology from supervisor	7/29/2007	Forwarded complaint on to TL for follow-up with agent about following customer instructions, or waiting for further instructions from the customer. Team Leader talked to this agent about following customer instructions and waiting for further instructions from the customer

82	7/13/2007	Technical - General	7/13/2007	Apologized for incidence and thanked customer for feedback. Confirmed via trouble ticket that there was an audio difficulty on the call causing the customer to need to hang up and redial the call.
83	7/12/2007	Customer complained that as the call was ending he sent "SK" and received no response back from the agent or any indication that the voice caller had hung up. The customer said he had further questions for the agent, but got no response even though the agent had apparently not hung up. Apologized to customer and relayed that a supervisor would be notified. Customer would like a follow-up phone call.	7/12/2007	Internal update performed. Team Leader met with this agent. Agent doesn't remember the call; however, she was reminded to be sure and keep the callers informed of call process. Agent understands Team Leader attempted contact 7/12/07 @ 2:10pm with no answer. left message on TTY answering machine. Team Leader attempted contact 7/17/07 @ 4:15pm with no answer, left message on TTY answering machine. Team Leader called on 7/23/07 @ 3:45pm, got customer. Spoke with customer. Customer understands and is happy with the results.
84	7/9/2007	Customer said agent ignored notes and sent macros she shouldn't have and did not adjust wpm. Team Leader was observing during call and most of the complaints were not agent error. Agent was late adjusting her wpm.	7/9/2007	Team Leader coached agent immediately after the call about adjusting the wpm as requested right away
85	7/3/2007	Technical - General	7/3/2007	Investigated and learned of a trouble ticket on the call. Brief interim of corrective measure and captions were restored. Thanked customer for reporting this incidence. Apologized for this incidence
86	6/27/2007	An IL VCO customer is having trouble being heard clearly on her relay calls, on both outbound and inbound calls. This problem has been happening for several weeks. AT&T checked her line and said they did not detect a problem. The last time this occurred was 6/27 at 5:48 p.m.. Apologized for inconvenience. Opened a trouble ticket. Follow-up requested.	6/27/2007	Communicated with the customer via email to get more detailed information as to what happened as well as how it has been working recently. Customer sent me an email and stated it is a little better and she has been patient on all her calls. She knows we are working on it and will get it resolved as quickly as possible. She thanked me for following up with her.
87	6/27/2007	Answering machine message retrieval	6/27/2007	Explained to customer that answering machine messages may generally be harder to caption than actual conversations. Explained captionist use (speaker unclear), (speaker to soft) to indicate difficulty in discerning the answering machine message. Apologized for this difficulty.
88	6/13/2007	CA blocked caller's ID when placing a phone call. Caller was very upset - he didn't want his caller ID to be blocked. CA then typed out an answering machine message even though the caller's notes say "Do not type MSG/Recordings."	6/13/2007	CA was spoken to about both incidences. The CA accidentally pressed the Caller ID Block key, then felt so bad about it that the CA forgot to read the caller's notes not to type answering machine. CA was coached by Team Leader.
89	6/5/2007	An Illinois VCO customer called to report she is having trouble connecting with relay the past two days, 6/4 and 6/5. When she receives a relay call she hears a "loud screeching noise." When her friend calls her the agent says they cannot connect, as Delores is not using her voice. This happened 6/4 approximately 2 to 3 p.m. and 6/5 10:10 a.m. Apologized for inconvenience. Opened a trouble ticket. Follow-up requested.	6/5/2007	I called customer and she stated that she has not had any problems with her VCO calls. She thanked me for following with her on this

She thanked me for following up with her.
44	11/28/2007	Customer states when she receives relay calls the message is totally garbled. She can never get the operator number as it is also garbled. Also she sometimes gets slow typing and then the call disconnects. Also the agent tells her they cannot switch her calls to VCO. Apologized turned in a trouble ticket.	1/17/2008	Called on 12/7/07 at 1:25 PM and 12/7/07 at 1:40 PM - it was busy both times. Tried again at 3:25 PM on 1/17/08 and no answer. Case is closed.
45	11/27/2007	Unable to reach Mother at phone number provided. Getting a high pitched sound like a fax machine. Customer stated the phone is set up to receive call. Contact the customer and not the mother at this time. Apologized to customer for her difficulty. Would follow up with tech to find out what's going on. Trouble ticket to follow complaint. Customer wished me a pleasant holiday at end, but was very disappointed in our service.	11/27/2007	Trouble ticket forwarded to technician. Tech called the customer, received recording: "Call cannot be completed as dialed. Please check the number and try your call again." No further action possible.

46	11/27/2007	An IL TTY customer says she keeps getting billed by Sprint every two or three months, even though her customer notes are set up to bill AT&T. Apologized for inconvenience. Offered to credit for mischarges. Opened trouble ticket. Follow-up requested.	11/27/2007	Her account was credited for all of the Sprint calls.
47	11/27/2007	An IL voice customer called to complain that for about a month, when she calls her TTY niece through relay, she cannot get through. The relay tells her the message is garbled, then the line disconnects. The niece doesn't have a problem when calling her aunt. Apologized for inconvenience. Made a test call with and without relay (call disconnected with relay). Opened a trouble ticket. Follow-up requested.	11/27/2007	Called on 12/7/2007, 1/17/2008 and 2/6/2008 - no one answered and they do not have an answering machine. Case is closed.
48	11/22/2007	CA wouldn't answer me twice. Twice he hung up on me. I gave him the number for the pharmacy then I waited and waited and I said "Hello" then hung up.	11/22/2007	The agent does not remember this particular call. However, proper disconnect procedures were reviewed with this agent. The agent understands the importance of staying focused and responding to every customer.
49	11/15/2007	IL VCO customer states she is asked for her calling from number every time she calls into a relay operator. She states this has happened for approximately the past 2 weeks. RCS apologized to customer and informed her we would enter in a Trouble Ticket. Customer did not request a follow up.	11/15/2007	Spoke with the customer and she said all was working fine as she got a new TTY. She thanked me for calling her back.
50	11/14/2007	TTY customer reports Relay operator was unable to out dial without additional information. Customer's "calling from" number was not populating. Apologized. A trouble ticket was opened. Follow up requested.	11/14/2007	I left a message on 3/17/08, 3/18/08 and 3/19/08 for customer to call back. Today I heard from the customer and she stated that her relay calls are working fine.
51	11/9/2007	Customer notes said to not type recordings/messages unless asked to do so. Agent typed out answering machine without customer's instructions.	11/9/2007	Team Leader coached agent on following customer instructions
52	11/9/2007	Agent didn't answer the TTY user when they spoke to them and hung up on customer. Complaint filed on 11/5/07 at 7:17 pm. No follow-up requested.	11/9/2007	Supervisor spoke to the agent regarding this complaint. The agent does not remember the call. The supervisor reviewed the importance of focusing on calls and responding to customers in a timely manner. The agent understands.
53	11/2/2007	An IL VCO customer called to complain that she has had trouble receiving calls from people through relay. This has been going on since she moved, about a week and a half. Apologized for inconvenience. Made a test call and the line disconnected, then was busy. Called directly through TTY and had no trouble. Opened a trouble ticket. Follow-up requested.	11/2/2007	The technician contacted the customer and made test calls. All worked smoothly and the customer thanked him for working with her to resolve this.
54	10/29/2007	IL VCO is not able to connect with relay but gets screeching noise. Apologized, provided equipment #'s to call, and submitted trouble ticket for technicians to investigate. Customer did not request contact.	10/29/2007	Spoke with customer and she figured out how to answer her calls and all is going well. She thanked me for following up with her.

55	10/25/2007	Agent was asked to dial a frequent dialed number by the customer. The agent began asking for a 10 digit number and continued asking for the number, the customer then asked for a supervisor and the agent hung up before the supervisor got on the phone. No follow up requested.	10/25/2007	Supervisor coached the agent to follow customer's instructions and never hang up on a customer. Agent understands.
56	10/25/2007	Agent reached a tty answering machine and did not relay the tty msg to the caller. The agent also hung up on the voice customer.	10/25/2007	I spoke to the CA regarding this call. She thinks it was a technical problem in which the computer dropped the inbound call. This CA knows how to process a voice to tty answering machine call but we reviewed the procedure regardless.
57	10/25/2007	Accuracy of captions	10/25/2007	Customer shared feedback regarding accuracy of captions and that she asked the party to clarify. Customer Service Representative apologized for incidence and thanked customer for the feedback and informed appropriate captioning service staff for follow up with the CA. CA will be further monitored to ensure quality of captions
58	10/22/2007	A TTY customer called to report that when he reaches agents who don't send the "your caller ID will send" macro, his messages garble. When that macro is sent, they seem able to read his messages. Apologized. Explained that the computers send the macros; the agents do not have that control. Opened a trouble ticket. Follow-up requested.	10/22/2007	The customer has a TTY that is 17 years old, so I asked the equipment distribution provider to send him a letter and application for a new TTY. The customer was thankful for my assistance with getting him a new TTY.
59	10/19/2007	An IL voice customer called to report that when she calls relay, her number is not showing up, so agents have to ask her to provide that before they can call. This has been going on for three weeks now. Apologized. Opened a trouble ticket. Follow-up requested.	10/19/2007	Spoke with the customer and told her she needs to contact her phone company to check the originating line information as they are not sending us the correct number, causing the problem she has been experiencing. She stated she would call them to have them fix it.
60	10/12/2007	IL VCO user complains her relay calls keep garbling, preventing her from being able to communicate. Apologized, but customer could not read my typing. Test called back but garbling continued. Entered TT 5107974 Customer did not ask for contact.	10/12/2007	There was a bug in the system and we are working on fixing it. Customer did not request follow up.
61	10/12/2007	711 test calls made by IL state customer and when the operator picked up the customer heard operator say, "You are such a big liar!" customer said, "Pardon me?" and operator said, "Illinois relay, operator # xxxx." The call was made 10-11-07 at 1:30 PM. (complaint submitted by Program Manager who is requesting follow up to contact their customer regarding this complaint) Program Manager requests contact	10/15/2007	The agent was spoken to and agreed that to refrain from conversation when a call arrives at the workstation and will focus on her calls. Program manager was updated on status.
62	10/3/2007	Customer asked agent to place a call. The agent would not dial the number. Customer thinks she was asleep on the job. Apologized to the customer and informed them that this would be documented and forwarded to the agent's supervisor.	10/3/2007	Discussed with operator.
63	10/1/2007	Technical - General	10/1/2007	Technical support made an adjustment in the system to resolve other party's experience. Other party now able to make captioned calls to CapTel user successfully.
64	9/24/2007	Billing - General	9/24/2007	Assigned CapTel user's preferred carrier of choice designation to allow them to make long distance calls from CapTel phone. This remedied the circumstance.

65	9/22/2007	9/21/2007 @ 10:50 pm Customer called and complained CA did not follow instructions. Customer instructed CA to relay message to customer's dad if the phone was answered not to leave message on the answering machine. CA left message on answering machine and hung up on customer. Customer called back and wanted CA to apologize. Agent apologized.	9/22/2007	Agent does not remember the call. Coached agent on following all instructions that are provided by the customer, and to not disconnect on any customers regardless of the situation. Instructed agent to get a supervisor to assist with the call, if the request are not clear and clarification is needed.
66	9/14/2007	Customer Complaint: Received by Program Manager, the caller said that the CA hung up on her, she does not know why.	9/14/2007	Agent was not working at that time of the reported incident.
67	9/14/2007	Customer Complaint: Caller reported to the Program Manager that the CA hung up on her mother in the middle of the call and then when she called her back she got him again and he told her to stop speaking before she was done. She stopped as she thought maybe he was struggling to keep up with her, but he went ahead and typed in "GA" to her mother. She told the agent that she was not done speaking and he stated he is the one to make decisions on when to send the "GA" and that he has been working as a CA for 15 years. She stated that he was cocky to her twice in one day when she was trying to reach her mother. Customer Service Response: Received this in TRS email	9/14/2007	Supervisor met with CA. CA did remember call and stated that outbound kept disconnecting and inbound thought it was the CA hanging up which it was not. When call progressed and voice person paused in speaking CA sent the GA for the outbound to respond and then inbound started talking again. Inbound was upset that Ca had sent the GA and felt he was rude in not waiting for her for longer.
68	9/11/2007	Voice caller complained that agent was rude to her and wanted Sprint to send her an apology back for being rude to her. Did not give agents id number or supervisors id that took her call earlier. This caller was rude to agent and supervisor.	9/11/2007	No action taken without an agent id. Complaint closed.
69	9/4/2007	Customer Complaint: Caller is upset about the operator greeting that includes, "your caller id will send". Customer claimed to have made thousands of complaints to various people. This information means nothing to her and wastes her time and other VCO user's time who are friends of hers. Customer Service Response: Given by MA Customer Service representative on 9/1/07 at 11:00. He explained that allowing for state, ADA, and other requirements we are interested in improving our service to remain competitive and would forward her complaint to a program manager. Follow up requested.	9/4/2007	Talked with customer today and she stated it is a waste of time to send the "Caller ID" macro. I told her we had to follow the contract and also have not received this complaint from other customers. I gave her my email address if she needed to contact me and she thanked me several times for calling her. Customer was satisfied
70	8/28/2007	Caller's daughter had received a relay call and someone cursed at her. Caller stated that we should not use foul language when a call is placed to a young person and felt that relay should refrain reading curses.	8/28/2007	Apologized and explained the role of the CA is to facilitate the call and that the CA is required to read everything that is typed. Caller disagreed but then inquired about employment opportunities. Caller was referred to Customer Service for location information.
71	8/28/2007	Disconnect/Reconnect during calls	8/28/2007	Customer experiences occasional calls where the data connection is disrupted-mostly from a cellular user. Sent customer information explaining the difference between a CapTel and a traditional phone and its need for a line that can sustain a data connection. Sent an email with tips on what could reduce disconnect/reconnect occurrence. Also did test calls with customer and advised asking the phone company to verify the performance of the line to carry a data connection.
72	8/26/2007	Customer was having a conversation with outbound and began receiving no response from the outbound or the agent. Thinks agent disconnected the call, however it could be technical too.	8/26/2007	Customer did not request follow up. Case is closed.
73	8/23/2007	Customer was billed via Sprint for long distance charges to Poland.	8/23/2007	Customer does not have a profile, updated it and credited customer's account.

74	8/22/2007	Customer can dial out but cannot receive incoming calls from IL relay. Her hearing friend tried to call her and said the agent hears PC tones then the line disconnects. RCS response: Thanked the customer for letting us know and assured that a trouble ticket would be turned in on the problem. Trouble Ticket 4772059	8/28/2007	August 28: Left a voice message for customer to call me. Spoke with customer today and she stated that she contacted her phone company and all is working well now. She thanked me for calling her.
75	8/20/2007	Carrier Of Choice (COC) information was not available for Relay to process call correctly even though the COC was in the database. Advised Trouble Ticket would be entered. Customer requests contact.	8/28/2007	Sent a letter to the customer's carrier about carrier of choice and what steps they need to take in order to be added to our carrier of choice program. Customer thanked me for sending this.
76	8/17/2007	Billing - General	8/17/2007	Technical Support registered cell phone user's carrier to resolve caller's inability to reach CapTel user via CapTel Service.
77	7/31/2007	The customer has had this agent before and they are always slow to respond to the customer's requests. Apologized to customer. They do not request follow up	7/31/2007	This Agent is new. Team Leader spoke with her and told her she knew that she was new to the floor and the callers did not know that Team Leader reminded CA to do her best and if she did have any trouble to ask the caller to hold one moment and then call a Team Leader for assistance so the call is not delayed unnecessarily.
78	7/31/2007	Voice customer uses Relay often & always very pleased with service but recent call, 7-31-07 9:20A was unacceptable. Agent was rude from beginning of call. The customer advised agent they may reach an answering machine. The agent replied "then you don't need this service!" When customer's friend cannot ans the phone a typed msg can be left on their phone. When agent told the customer to leave msg themselves the customer responded "no I can't". After this point the agent was silent for 20-25 seconds until customer asked if they were dialing out or on break. No response from agent but customer could hear typing. Finally the agent said he typed what she was said on ans mach. (apologized for problem) Customer requires contact. Customer called Customer Service this morning at 9 30 am to inquire when the Supervisor is going to contact them. Customer said she never has problems with any of the relay operators, and was surprised when this operator was rude to her. Customer Service apologized to the customer. Customer Service is going to email the Supervisor this ticket is assigned to.	8/6/2007	Team Leader spoke with this agent about all answering machine procedures. Also spoke to the agent about his tone of voice and how it can affect his calls without him realizing it. He understands. Team Leader called customer at 5:40pm on 8/9/07. Spoke with her and she was satisfied with the resolution.
79	7/29/2007	VCO customer was very upset that agent did not read his notes and follow his instructions in the notes. Agent dialed out without verifying the number with him.	7/29/2007	Agent could not understand the number given. Asked customer to repeat the number. He wouldn't so she ended up dialing a wrong number. Team Leader instructed her to follow inbound notes and to follow customer instructions. Agent was very upset about inconvenience to customer.
80	7/27/2007	Accuracy of captions	7/27/2007	Customer shared feedback regarding 1 word error in the call which caused a misunderstanding accuracy of captions. CS Rep apologized for incidence and thanked customer for the feedback and shared the feedback and CA # with appropriate captioning service staff for follow up.
81	7/23/2007	TTY customer reports that agent typed "no answer" and disconnected the call without giving the customer the opportunity to make another call. The call was made today, 7-23-07 at approx 10 AM. (apologized for the problem) Customer request contact with an apology from supervisor	7/29/2007	Forwarded complaint on to TL for follow-up with agent about following customer instructions, or waiting for further instructions from the customer. Team Leader talked to this agent about following customer instructions and waiting for further instructions from the customer

82	7/13/2007	Technical - General	7/13/2007	Apologized for incidence and thanked customer for feedback. Confirmed via trouble ticket that there was an audio difficulty on the call causing the customer to need to hang up and redial the call.
83	7/12/2007	Customer complained that as the call was ending he sent "SK" and received no response back from the agent or any indication that the voice caller had hung up. The customer said he had further questions for the agent, but got no response even though the agent had apparently not hung up. Apologized to customer and relayed that a supervisor would be notified. Customer would like a follow-up phone call.	7/12/2007	Internal update performed. Team Leader met with this agent. Agent doesn't remember the call; however, she was reminded to be sure and keep the callers informed of call process. Agent understands. Team Leader attempted contact 7/12/07 @ 2:10pm with no answer, left message on TTY answering machine. Team Leader attempted contact 7/17/07 @ 4:15pm with no answer, left message on TTY answering machine. Team Leader called on 7/23/07 @ 3:45pm, got customer. Spoke with customer. Customer understands and is happy with the results.
84	7/9/2007	Customer said agent ignored notes and sent macros she shouldn't have and did not adjust wpm. Team Leader was observing during call and most of the complaints were not agent error. Agent was late adjusting her wpm.	7/9/2007	Team Leader coached agent immediately after the call about adjusting the wpm as requested right away
85	7/3/2007	Technical - General	7/3/2007	Investigated and learned of a trouble ticket on the call. Brief interim of corrective measure and captions were restored. Thanked customer for reporting this incidence. Apologized for this incidence
86	6/27/2007	An IL VCO customer is having trouble being heard clearly on her relay calls, on both outbound and inbound calls. This problem has been happening for several weeks. AT&T checked her line and said they did not detect a problem. The last time this occurred was 6/27 at 5:48 p.m.. Apologized for inconvenience. Opened a trouble ticket. Follow-up requested.	6/27/2007	Communicated with the customer via email to get more detailed information as to what happened as well as how it has been working recently. Customer sent me an email and stated it is a little better and she has been patient on all her calls. She knows we are working on it and will get it resolved as quickly as possible. She thanked me for following up with her.
87	6/27/2007	Answering machine message retrieval	6/27/2007	Explained to customer that answering machine messages may generally be harder to caption than actual conversations. Explained captionist use (speaker unclear), (speaker to soft) to indicate difficulty in discerning the answering machine message. Apologized for this difficulty.
88	6/13/2007	CA blocked caller's ID when placing a phone call. Caller was very upset - he didn't want his caller ID to be blocked. CA then typed out an answering machine message even though the caller's notes say "Do not type MSG/Recordings."	6/13/2007	CA was spoken to about both incidences. The CA accidentally pressed the Caller ID Block key, then felt so bad about it that the CA forgot to read the caller's notes not to type answering machine. CA was coached by Team Leader.
89	6/5/2007	An Illinois VCO customer called to report she is having trouble connecting with relay the past two days, 6/4 and 6/5. When she receives a relay call she hears a "loud screeching noise." When her friend calls her the agent says they cannot connect, as Delores is not using her voice. This happened 6/4 approximately 2 to 3 p.m. and 6/5 10:10 a.m. Apologized for inconvenience. Opened a trouble ticket. Follow-up requested.	6/5/2007	I called customer and she stated that she has not had any problems with her VCO calls. She thanked me for following with her on this
