**COMMENTS OF ERICSSON INC AND
SONY ERICSSON MOBILE COMMUNICATIONS (USA) INC.
IN SUPPORT OF T–MOBILE REQUEST FOR EXTENSION**

Ericsson Inc (“Ericsson”) and Sony Ericsson Mobile Communications (USA) Inc. (“SEMC”) hereby file brief comments in support of the T–Mobile USA, Inc. Request for Extension of Time to File Comments, filed July 1, 2000 (“Extension Request”). Ericsson and SEMC have reviewed the Extension Request and agree that the issues raised in the *Further Notice of Proposed Rulemaking*¹ require technical analysis which cannot be completed within the abbreviated pleading cycle established by the Commission. The additional time would permit the inclusion in the record of technical analyses that will allow the public and the Commission to better evaluate the interference issues posed by the proposed rules.

Accordingly, Ericsson and SEMC join in the Extension Request.
