

why do you even have the ecfs express anyway? it appears that no one but us poor beautiful outlaw people as elizabeth cook on channel 63 call us reads it. why have something if you do not pay any attention to it! your lack of decision on this matter is criminal as chester davenport/georgetown partners/nab/clear channel c3sr and the rest of the moronns butting their noses into our preferred radio. I am making my last post on this useless waste of taxpayer money i'm sure satan has a special place for y'all in the pit
