**Re: WT Docket No. 04-356, WT Docket No. 07-195**

Dear Ms. Dortch:

On July 11, 2008, the undersigned and Peter Corea of ICO Global Communications (“ICO”) met with Wayne Leighton, Special Advisor to Commissioner Deborah Tate. ICO reviewed issues addressed in the attached presentation and reiterated comments filed on the record in the above-referenced proceedings. ICO also discussed an option for an alternative band plan, set forth in a presentation by Wireless Strategy, also attached, that would provide more favorable opportunities for the provision of new broadband services while addressing many of the interference concerns raised on the record.

Respectfully submitted,

/s/Suzanne Hutchings Malloy/s/
