Re: MB Docket 07-42

Dear Ms. Dortch

On July 10, 2008, Robert Herring, Sr., CEO and Co-Founder of WealthTV, and Charles Herring, President and Co-Founder of WealthTV met with Rick Chessen, Senior Legal Advisor to Commissioner Copps.

Messrs. Herring urged that the proposed reforms to the process for filing complaints be promptly put back on the Commission's agenda to ensure fair redress for independent programmers. They also inquired about the status of the complaints that WealthTV has filed against Time Warner and other MSOs and learned that these complaints remain pending.

Very truly yours,

//Signed//
