FORMAL REQUEST to JAMES BRADSHAW:

I, Joseph D'Alessandro, according to law, request to broadcast on frequency 87.9 FM, channel 200, due to the fact that I am being displaced by Cox Radio and Great Scott Broadcasting.

Channel 258, which is frequency 99.5 FM is inadequate, due to 99.5 WJBR, Wilmington, Delaware and several locations in Southern New Jersey.

87.9 FM is very suitable due to the fact under law, the closest TV channel 6, which is in Philadelphia, Pennsylvania.

This channel in Philadelphia, Pennsylvania is approximately 125 miles away from this area. I need to start broadcasting on 87.9 FM immediately due to the fact because COX Radio and Great Scott Broadcasting has put 107.7 FM on the air as of the writing of this formal request.
