Dear FCC:

Â To Whom it may concern,

I am a US citizen and Sirius customer. What is taking so long?
Sirius is a great service and is bleeding cash how long can this company
last? A quick look at these two companies will show the clear signs of
impending doom if a merger is not allowed. I spent less money for my
LIFETIME subscription to Sirius than i spent last month on gasoline not
including my wifes gas bill!

Oil companies can merge quicker than Sirius and XM? \$5 gas? \$10 gas?

Please help us understand who is opposed and why. (excluding special
interest groups)

Sincerely,

William Crotinger
