**Notice of Oral *Ex Parte* Communication**

RE: Sprint Nextel Corporation and Clearwire Corporation Seek FCC Consent to Transfer Control of Licenses and Authorizations, **WT Docket No. 08-94**

Dear Ms. Dortch:

Yesterday, Gerry Salemme and Terri Natoli of Clearwire Corporation ("Clearwire"), a licensee, lessee, and operator of 2.5 GHz spectrum in the Broadband Radio Service (BRS) and Educational Broadband Service (EBS), met with Renee Crittendon of the Office of Commissioner Jonathan Adelstein. The purpose of the meeting was to discuss the recent applications filed by Clearwire for the approval of the transfer of control of licenses, authorizations, and *de facto* transfer spectrum leases held by Clearwire to a new wireless broadband company called Clearwire Corporation ("New Clearwire"). Clearwire reiterated certain of the points made in its application filed on June 6, 2008.<sup>1</sup>

Pursuant to Section 1.1206(b)(2) of the Commission's Rules, notice of this *ex parte* communication is being filed electronically. If you have any questions regarding this matter, please do not hesitate to contact the undersigned at 202-429-0107.

Sincerely,

Terri B. Natoli

cc: Renee Crittendon
