Re: Notice of Written Ex Parte Communication
MB Docket No. 07-57

Dear Ms. Dortch:

On July 15, 2008, David J. Field, President and Chief Executive of Entercom Communications Corp. ("Entercom") had a telephone conversation with Commissioner Deborah Taylor Tate and Amy Blankenship, Legal Advisor. Mr. Field again urged Commissioner Tate to vote against the XM-Sirius merger and reiterated the reasons previously discussed during their June 19, 2008 meeting (*See* Notice of Ex Parte Communication filed on behalf of Entercom dated June 20, 2008). Mr. Field also discussed the additional information he submitted to Commissioner Tate on July 8, 2008 concerning the local advertising by the Mercedes Benz dealers of Southern California on the Sirius Los Angeles traffic channel (*See* Notice of Written Ex Parte Communication filed on behalf of Entercom dated July 9, 2008).

Mr. Field argued that the problems associated with the XM-Sirius merger would not be solved by the approval of the merger with conditions. Even enhanced conditions, such as the inclusion of the AM/FM/HD receiver and prohibiting local content, while an improvement, would not remedy the policy flaws and harm caused by approval of the merger.

In accordance with Section 1.1206 of the Commission's Rules, 47 C.F.R. §1.1206, one electronic copy of this letter is being filed in the above-referenced docket. Please direct any inquiries concerning this matter to the undersigned.

Respectfully submitted,

John C. Donlevie
Executive Vice President & General Counsel
Entercom Communications Corp.

cc: Amy Blankenship, Legal Advisor to Commissioner Tate
