

indicated that the report covering the calendar quarter ending June 30, 2008 would be due by July 10, 2008.<sup>4</sup>

For the quarter ending June 30, 2008, CVCC has not implemented consumer outreach efforts for any customers on services relating to the 700 MHz License because it does not have any such customers. CVCC has not yet had the opportunity to purchase equipment or deploy services on the 700 MHz License. Nevertheless, CVCC, through its affiliates, has implemented consumer outreach efforts regarding the DTV transition for its cable television and Lifeline and Link Up customers. DTV transition information is included in monthly bills sent to all cable TV and Lifeline/ Link Up customers served by CVCC affiliates as required by the Commission's rules.

Pursuant to the Commission's rules, CVCC will continue to report its consumer outreach efforts regarding the DTV transition on a quarterly basis.

Respectfully submitted,
