Dear FCC:

I am really disappointed in the FCC as well as the D o Justice for taking such a long time in dealing with such a simple issue which is the need to merge so one unit can be financially viable. To allow both to bleed at the expense of the shareholders is unconsonable. The speed with which you dealt with Fannie Mac, Fannie Mae and Bear Stearns shows the Gov't can move if necessary. How can you justify taking nearly two years to deal with this item. The only real reason is special interests and that is just not right. Please approve this merger NOW!!

Sincerely,

Ken Polley
