Dear FCC:

To whom it may concern;

I have never written my government for anything, but I wanted to take valuable time out of my day to vent. Why is the XM/Sirius Satellite Radio merger taking forever? I always believed in my Country and politicians, but the more I read about this merger, it makes me want to cry. What is happening to our Country?? It is clear that some members of the government are taking payouts from the NBA to stall this merger. This is not a MONOPOLY!!! This makes me sick to my stomach that the FCC/NBA is trying to bankrupt these two companies. Please help the people of this country who are paying for this service by making this merger go through ASAP.

Please.

Sincerely,

Thomas Aiosa
