Re: **In the Matter of Wireless E911 Location Accuracy Requirements
(PS Docket No. 07-114; CC Docket No. 94-102)**

Dear Mr. Dortch,

On July 24, 2008, at the request of the Office of Chairman Martin, Robert Quinn, Joan Marsh and Jim Bugel, representing AT&T, and Susanne Guyer and John Scott, representing Verizon Wireless, met with Chairman Kevin Martin, Dan Gonzalez, Aaron Goldberger, Chief Derek Poarch and Erika Olsen. At that meeting, Chairman Martin asked AT&T and Verizon to each respond to the letter filed by the Association of Public-Safety Communications Officials-International and the National Emergency Number Association on July 14, 2008 and to discuss options for improving E911 accuracy performance.

Also at the meeting were Robert Gurss and Willis Carter (present by phone), representing APCO, and Jason Barbour (present by phone), representing NENA.

In accordance with Commission rules, this letter is being filed electronically with your office for inclusion in the public record.

Sincerely,

A handwritten signature in black ink, appearing to be "JM" followed by a long horizontal line.
