RE: Funding Year 2008 Form 471
Postmarked Outside of the Window Letter

Letter of Appeal
FCC, Office of the Secretary
445 12th Street SW
Washington, DC 20554

To Whom It May Concern:

This letter is to appeal the decision of holding my 471 application (638072) that was posted outside the filing window. My hope is that you understand the complicated situation our district was facing with the resignation of our superintendent.

For the past ten (10) years Pennfield Schools has applied and have been granted funds by the Universal Service Administrative Company (USAC). We have always complied with any requests and have worked with USAC to make sure we are compliant with all requirements.

We began the process with our 470 application in the fall of 2007. At that time we were gathering information and bids from vendors and organizing the necessary paper work. This has always been the role of the Director of Technology in our district.

In November of 2007 the Superintendent of Pennfield Schools retired. The Board of Education asked me (Director of Technology) to act as interim superintendent until someone could be hired to start the 09/10 school year. With added duties the 471 application was delayed and I was unable to meet the filing window time line.

I understand the responsibility of the District to comply with this important timeline although this mistake was never intended to fraud or deceive USAC. As stated previously we have always been compliant and look forward to continue working with your company.

Sincerely,

Tim Everett
Interim Superintendent/Director of Technology
Pennfield Schools
