Dear Ms. Dortch:

On July 29, 2008, Jeff Bewkes, President and CEO, and Carol Melton, Executive Vice President, Global Public Policy, of Time Warner Inc. ("Time Warner"), met with Chairman Kevin Martin and Catherine Bohigian, Chief of the Office of Strategic Planning and Policy Analysis, while the Chairman was in New York on other business. They discussed a variety of general topics relevant to communications and media businesses. During the course of this conversation, the parties briefly discussed the above-referenced transfer proceeding and the nature of the separation transaction. In addition, they discussed the selectable output control waiver proceeding, and Ms. Melton expressed support for the Motion Picture Association of America Inc.'s petition.

Please contact me if you have any questions regarding this notice.

Sincerely,

Susan A. Mort
