**NOTICE OF PROPOSED RULE MAKING
and
ORDER TO SHOW CAUSE**

Adopted: July 23, 2008

Released: July 25, 2008

Comment Date: September 15, 2008

Reply Comment Date: September 30, 2008

By the Assistant Chief, Audio Division, Media Bureau:

1. The Audio Division has before it a Petition for Rule Making filed by Michael Cusinato ("Petitioner"),¹ proposing to allot Channel 287B1 at Needles, California, as the community's fourth local service.² In addition, Petitioner concurrently filed a FCC Form 301 new station application³, and the requisite filing fee pursuant to *Revision of Procedures Governing Amendments to FM Table of Allotments and Changes of Community of License in the Radio Broadcast Services*.⁴ Petitioner certifies in its Petition that if the requested FM channel is allotted, it will participate in the auction process for the channel.

2. To accommodate the proposed Needles allotment, Petitioner also requests the substitution of Channel 228C2 for vacant Channel 286C2 at Ehrenberg, Arizona, and the substitution of Channel 286C2 for Channel 287C2 at Wickenburg, Arizona, and modification of the Station KHOV-FM license accordingly. To this end, we are issuing an *Order to Show Cause* directed to Univision Radio License Corporation, ("Univision"), licensee of Station KHOV-FM to show cause why its license should not be modified to specify operation on Channel 286C2. To accommodate the Wickenburg substitution, Petitioner proposes to substitute Channel 246C2 for Channel 286C2 at Kachina Village, Arizona, and modify the license for Station KFLX(FM) accordingly. To this end we are also issuing an *Order to Show Cause* directed to Grenax Broadcasting II LLC ("Grenax"), licensee of Station KFLX(FM) to show cause why its license should not be modified to Channel 246C2. Finally, to accommodate the substitution at Kachina Village, Petitioner proposes the substitution of Channel 281C for vacant Channel 247C at First Mesa, Arizona.

¹ This Petition is being considered on reconsideration after its return by letter was appealed by Petitioner. In view of our action adopting this Notice of Proposed Rule Making, Petitioner's petition for reconsideration is hereby dismissed as moot.

² Stations KLUK(FM), Channel 250C1, KNKK, Channel 296C1, and KTOX(AM) are also licensed to Needles.

³ File No. BNPH-20070312ACB.

⁴ Report and Order, 21 FCC Rcd 14212 (2006) ("*Revised Allotment Procedures R&O*").

3. Section 316(a) of the Communications Act of 1934, as amended, permits the Commission to modify an authorization if such action is in the public interest. Further, pursuant to Section 316(a), we are required to notify the affected station of the proposed action, as well as the public interest reasons for the action, and afford at least 30 days to respond. This procedure is set forth in Section 1.87 of the Commission's rules.⁵

4. Whenever an existing licensee is ordered to switch frequencies to accommodate a channel allotment, we require the proponent of the channel allotment to make a commitment to reimburse the affected station for the costs incurred in changing frequencies.⁶ Petitioner states that provided that its construction permit is granted, he will reimburse Univision and Grenax for reasonable costs associated with changing channels at Wickenburg and Kachina Village, respectively.

5. In support of the allotment, Petitioner states that the allotment would serve the public interest because it would provide the community of Needles, population 4,830 persons,⁷ with its fourth local service. It also states that from its proposed site, the entire community will receive the station's signal and that 75,195 persons in California, Nevada and Arizona will receive an additional aural reception service.

6. We believe the proposal warrants consideration because it would provide Needles with an additional transmission service and over 75,000 persons with an additional aural reception service. This will serve Priority 4 of the FM allotment priorities, other public interest matters.⁸ A staff engineering analysis indicates that Channel 287B1 can be allotted to Needles at Petitioner's requested site consistent with the minimum distance separation requirements of the Commission's rules, with a site restriction of 2.2 kilometers (1.4 miles) south of the community at coordinates 34-49-43 NL and 114-36-38 WL. Channel 228C2 can be allotted at Ehrenberg at a site 18.8 kilometers (17.9 miles) northeast of the community at coordinates 33-48-00 NL and 114-19-12 WL. Channel 281C can be allotted at First Mesa at a site 16.8 kilometers (10.5 miles) south of the community at coordinates 35-41-09 NL and 110-21-43 WL. Channel 286C2 can be allotted at Wickenburg at Station KHOV-FM's license site at coordinates 34-11-32 NL and 112-45-13 WL. Channel 246C2 can be allotted at Kachina Village at Station KFLX(FM)'s license site at coordinates 34-58-06 NL and 111-30-29 WL.

7. Accordingly, we seek comment on the proposed amendment of the FM Table of Allotments, Section 73.202(b),⁹ as follows:

<u>Community</u>	<u>Present</u>	<u>Channel</u> <u>Proposed</u>
Needles, California	---	287B1
Ehrenberg, Arizona	286C2	228C2
First Mesa, Arizona	247C	281C

⁵ See *Modification of FM and Television Licenses Pursuant to Section 316 of the Communications Act*, Order, 2 FCC Rcd 3327 (1987).

⁶ See *Circleville, Ohio*, 8 FCC2d 159 (1967).

⁷ All census population figures are taken from the 2000 U.S. Census.

⁸ The FM allotment priorities are: (1) First full-time aural service; (2) Second full-time aural service; (3) First local service; and (4) Other public interest matters. Co-equal weight is given to Priorities (2) and (3). See *Revision of FM Assignment Policies and Procedures*, Second Report and Order, 90 FCC 2d 88 (1988).

⁹ 47 C.F.R. § 73.202(b).

8. Accordingly, IT IS ORDERED, That pursuant to Section 316(a) of the Communications Act of 1934, as amended, Univision Radio License Corporation, licensee of Station KHOV-FM, SHALL SHOW CAUSE why its license SHOULD NOT BE MODIFIED to specify operation on Channel 286C2 in lieu of Channel 287C2 at Wickenburg, Arizona.

9. IT IS FURTHER ORDERED, That pursuant to Section 316(a) of the Communications Act of 1934, as amended, Grenax Broadcasting II, LLC, licensee of Station KFLX(FM), SHALL SHOW CAUSE why its license SHOULD NOT BE MODIFIED to specify operation on Channel 246C2 in lieu of Channel 286C2 at Kachina Village, Arizona.

10. Pursuant to Section 1.87 of the Commission's Rules, the above affected licensees, Univision Radio License Corporation, licensee of Station KHOV-FM, and Grenax Broadcasting II, LLC, licensee of Station KFLX(FM), may, no later than MMMM DD, 2008, file a written statement showing with particularity why its license should not be modified as proposed in this *Notice of Proposed Rule Making and Order to Show Cause*. The Commission may call upon the licensee to furnish additional information. If the licensee raises any substantial and material questions of fact, a hearing may be required to resolve such questions of fact pursuant to Section 1.87 of the Rules. Upon review of the statements and/or additional information furnished, the Commission may grant the modification, deny the modification, or set the matter of modification for hearing. If no written statement is filed by the date referred to above, the licensee will be deemed to have consented to a modification as proposed in this *Notice of Proposed Rule Making and Order to Show Cause* and a final Order will be issued if the modification is found to be in the public interest.

2. Showings Required. Comments are invited on the proposal(s) discussed in the *Notice of Proposed Rule Making* to which this *Appendix* is attached. Proponent(s) will be expected to answer whatever questions are presented in initial comments. The proponent of a proposed allotment is also expected to file comments even if it only resubmits or incorporates by reference its former pleadings. It should also restate its present intention to apply for the channel if it is allotted and, if authorized, to build a station promptly. Failure to file may lead to denial of the request.

3. Cut-off protection. The following procedures will govern the consideration of filings in this proceeding:

(b) Petitions for rule making which conflict with the proposals in this *Notice* will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.

(c) The filing of a counterproposal may lead the Commission to allot a different channel than was requested for any of the communities involved.

4. Comments and Reply Comments; service. Pursuant to applicable procedures set out in 47 C.F.R. Sections 1.415 and 1.420, interested parties may file comments and reply comments on or before the dates set forth in the *Notice of Proposed Rule Making* to which this *Appendix* is attached.
