"700 MHz D Block"
WT Docket No. 06-150
PS Docket No. 06-229

Dear Ms. Dortch:

Today, Jamie Gorelick of the WilmerHale law firm and former 9/11 Commissioner, Steve Zipperstein, General Counsel of Verizon Wireless, and the undersigned met with Commissioner Jonathan Adelstein and his legal advisor, Renee Crittendon, to discuss the above-captioned proceedings. Our discussion focused on the information expressed in my testimony at the FCC's En Banc hearing in Brooklyn, New York on July 31, 2008. Specifically, Verizon Wireless believes that a regional RFP approach would be more effective in addressing public safety's communications needs, and that both the D Block spectrum and the adjoining public safety spectrum should be reallocated to public safety licensees on a regional basis to ensure that public safety has adequate spectrum to support its needs.

Pursuant to Section 1.1206(b)(2) of the Commission's Rules, an electronic copy of this letter is being filed for inclusion in the above-referenced docket.

Sincerely,

/s/ Donald C. Brittingham _____
