Re: *Improving Public Safety Communications in the 800 MHz Band, et seq.*, WT Docket No. 02-55, ET Docket No. 00-258, ET Docket No. 95-18

Dear Ms. Dortch:

On behalf of Sprint Nextel Corporation, Lawrence Krevor, Michael Degitz, Harold McCombs, Tim Moyer and I met yesterday with Geraldine Matisse, Ira Keltz, Jamison Prime, Nicholas Oros, and Patrick Forster.

We reviewed the broadcast auxiliary service (BAS) progress report filed August 1, 2008 and discussed the substantial progress Sprint Nextel and the broadcast community have made in transitioning BAS licensees to frequencies above 2025 MHz. If any questions arise concerning this submission, please contact me.

Sincerely,

Trey Hanbury, Esq.  
Director, Sprint Nextel Corporation
