Re: Notice of Oral Ex Parte Presentation
Regarding Docket Nos. PS 07-114, WC 05-196, & CC 94-102

Dear Ms. Dortch:

This is to report that on Friday, August 8, 2008, Jim DeLoach and Kirk Burroughs of Qualcomm's Engineering Services Group and I met with Ron Repasi, James Miller, and Ahmed Lahjouji of the Commission's Office of Engineering & Technology, Ziad Sleem of the Wireless Telecommunications Bureau, and Paul Marrangoni of the Public Safety & Homeland Security Bureau. Messrs. DeLoach and Burroughs provided background information concerning position location technologies. The views expressed were consistent with Qualcomm's comments filed in the above-referenced dockets.

Respectfully submitted,

/s/ Dean R. Brenner
