Federal Communications Commission
Office of the Secretary

Chairman Martin,

This letter is in reference to our continued partnership with WQYK of CBS Radio. WQYK has been very instrumental in the communication and promotion of the activities and events produced by The City of Clearwater, Parks and Recreation Department.

Recently, WQYK was very helpful in the promotion and sponsorship of our annual Fun 'n Sun Spring Concert. This show represents one of the free events offered to our community to entertain our local residents and visiting guests. In the coming months, plans are for WQYK to support our 30th Annual St. Petersburg Times Turkey Trot. This Thanksgiving Day community run has grown to 16,000 participants in 2007. The assistance of WQYK has been tremendous in advertising and communicating information to our population. In addition, WQYK has been very supportive in our annual Holiday Parade and Festival in the month of December. This event encompasses a two-mile stretch of entertainment for thousands of our residents. The parade ends with a Holiday Festival to promote the activities in our Downtown District Area.

Sincerely,

Terry Schmidt
