Mr. Coward,

Thank you.

For reasons given in our FOIA request, due to the factual situation involved, we currently disagree with the withholding (at least much of it), but we will study carefully your response and cited facts and law, and then decide if to appeal to the FCC or a court.

Also for reasons given in our FOIA request, I will place a copy of this email and your response in the record in the M-LMS NPRM docket 06-49.

I am not copying the other, non-FCC persons you copied below. I am not familiar with who is and who is not relevant to this FOIA matter, and to my knowledge, no person thus far is a party. However, by placing a copy in 06-49, persons who may have legitimate interest in this FOIA request and your response, as it pertains to that proceeding, will have access.

Respectfully,

Warren Havens, President,  
Intelligent Transport, Location & Wireless Group:  
ATLIS Wireless LLC, Telesaurus LLCs, &  
Skybridge Spectrum Foundation  
Berkeley, California, USA
