Exhibit B

Dear Customer:

Broadwing Communications, LLC, an affiliate of Level 3 Communications, LLC is selling its residential long distance customers to Telecom Management, Inc. d/b/a Pioneer Telephone. This transaction will require certain regulatory approvals. While awaiting those approvals, Pioneer will be managing your account on behalf of Broadwing/Level 3. The companies expect the transaction to be completed by December 31, 2008.

The potential change in ownership of your account will not affect or disrupt your current service in any way. Your rates and the terms and conditions of your existing service will not be adversely affected as a result of this transaction. Pioneer will notify you of any changes to your rates, terms and conditions of service after the transaction is completed. However, there will be a billing cycle change for most customers. Bills will now be issued on or about the 15th of each month.

You should not incur any carrier-change charges from your local telephone company as a result of this transaction. If such a charge appears on the bill from your local telephone company, please call the Pioneer customer service department toll-free at **(888) 492-6878** and a representative will reimburse you or credit your account accordingly.

Any "freeze" you have placed on your existing telephone lines to prevent unauthorized transfer to another long distance carrier will need to be reinstated by you after the transfer is complete. Your customer care representative can provide you with further details.

You have a choice of long distance providers and have the right to choose a different carrier for your services. If you decide to switch to a different carrier and you have **not** informed Pioneer/Level 3 by the date of the transfer, your services and account will be transferred to Pioneer. Pioneer will be responsible for any outstanding Level 3 inquiries or complaints after the date of the transfer. Please contact a Customer Service Representative at **(888) 492-6878** if you have any questions.

Pioneer welcomes you and appreciates the opportunity to be your long distance service provider.

Sincerely,

Sue Bouchard, President
Pioneer Telephone
