Re: Ex Parte Presentation,
WC Docket No. 07-135

Dear Ms. Dortch:

Today, Anna Gomez, Michael Fingerhut and I met with Scott Deutchman of Commissioner Copps' office to discuss traffic pumping. Sprint Nextel provided an update on traffic pumping activities we have experienced in recent months, and urged adoption of the measures we recommended in our filed comments in this proceeding. We also expressed willingness to limit our recommended CLEC certification proposal to CLECs that base their rates either on the rural benchmark or the rural exemption.

I request that this letter, which is being filed electronically, be placed in the file for the above-captioned proceeding.

Please contact me at (703) 433-4503 with any questions.

Sincerely,

/s/

Norina Moy
Director, Government Affairs
