**Re: Notice of Oral Ex Parte Presentation  
Regarding Docket Nos. ET 04-186 & 02-380**

Dear Ms. Dortch:

This is to report that yesterday, August 21, 2008, I had a short conversation with Commissioner Michael Copps about the above-referenced proceeding. During the conversation, I briefly described to Commissioner Copps the August 20, 2008 report filed in these proceedings by Charles L. Jackson, Dorothy Robyn, and Coleman Bazelon entitled “Unlicensed Use of the TV White Space: Wasteful and Harmful.” A copy of that report is included with this filing. In addition, during this conversation, I reiterated the position in Qualcomm’s filings in these proceedings that the Commission should license and auction the TV White Space.

Respectfully submitted,

/s/ Dean R. Brenner
