COMMENTS OF VALLEY BROADCASTING COMPANY, INC.

Prescott Valley Broadcasting Company, Inc. ("PVBC"), by its attorney, hereby files its Comments in the above-captioned proceeding.

PVBC, the licensee of Station KPKR at Parker, Arizona, initiated this proceeding in order to enable Station KPKR to change its channel of operation from Channel 247C3 as a short-spaced station pursuant to Section 73.215 of the Commission's rules to a fully spaced station on Channel 239C3. Simultaneously with the filing of its rulemaking petition, PVBC filed an application for a construction permit for Station KPKR to operate on Channel 239C3 contingent upon the Commission changing the vacant allotment at Blythe, California, from 239B to 247B.

PVBC hereby reconfirms its desire to change Station KPKR's channel from 247C3 to 239C3 for the reasons stated in its petition for rulemaking.

Respectfully submitted,
