**Re: Notification of *Ex Parte* Communication  
PS Docket No. 06-229, WT Docket Nos. 06-150 and 96-86**

Dear Ms. Dortch:

The Public Safety Spectrum Trust Corporation ("PSST") and Cyren Call Communications Corporation ("Cyren Call") hereby provide notice of permitted *ex parte* communications.

On September 3, 2008, Michele Farquhar from Hogan & Hartson LLP, counsel to PSST; Morgan O'Brien, David Knutson, Bruce Cox, and Bob Burkhardt from Cyren Call; and Elizabeth Sachs from Lukas, Nace, Gutierrez & Sachs, Chartered, counsel to Cyren Call, met with James Schlichting, Joel Taubenblatt, Jane Jackson, Peter Trachtenberg, Margaret Wiener, Craig Bomberger, and Nese Guendelsberger, all from the Wireless Telecommunications Bureau; Ira Keltz, Ronald Repasi, Ted Ryder, and Salomon Satche, all from the Office of Engineering & Technology; and Walter Johnston from the Public Safety & Homeland Security Bureau.

During the meeting, PSST and Cyren Call discussed the future re-auction of the D Block. In particular, PSST stated that while it retains a strong preference for a single, nationwide D Block licensee, it has begun exploring the merits of a state or regional licensing approach for the D Block based on recent discussions with potential bidders. PSST also discussed the public safety community's continuing need for a nationwide, interoperable broadband network and noted that if a state or regional licensing approach is used, the Commission should ensure that a single technology will be used throughout the network and adopt a legally binding governance structure to facilitate interactions among multiple D Block licensees and PSST, and to ensure interoperability and nationwide roaming on this shared network.

Pursuant to Section 1.1206(b)(2) of the Commission's rules, I am filing this notice electronically in the above-referenced docket. Please contact me directly with any questions

Respectfully Submitted,
