Dear Ms. Dortch:

Yesterday, Tom Tauke, Executive Vice President – Public Affairs, Policy & Communications, Susanne Guyer, Senior Vice President – Federal Regulatory Affairs, of Verizon, and John Scott, Vice President & Deputy General Counsel, of Verizon Wireless, met with Commissioner Tate and Greg Orlando, Legal Advisor to Commissioner Tate. Verizon discussed three topics: Verizon Wireless' acquisition of Alltel, in market roaming, and the ATT ARMIS Forbearance Petition.

Verizon explained the benefits of the Alltel acquisition to customers, which include improved service, expanded network coverage, and greater choice of wireless services, devices and rate plans. The positions expressed by the Verizon representatives were consistent with the July 22, 2008 ex parte letter submitted by Verizon Wireless as well as comments filed on the record. Verizon also reviewed its position on in-market roaming as reflected in the September 3, 2008 ex parte letter filed by Verizon Wireless in the above referenced proceeding.

Lastly, the Verizon representatives urged the Commission to approve the ATT request for ARMIS Forbearance and extend the grant of forbearance to Verizon and other similarly situation carriers. Verizon also urged the Commission in this order to extend to Verizon and others in the industry the same forbearance relief earlier granted to ATT from cost assignment rules.

Please let me know if you have any questions.

Sincerely,
