**Re: Centennial Communications Corp.
Initial Commercial Mobile Alert System Election Notification
P.S. Docket No. 08-146**

Dear Ms. Dortch:

Centennial Communications Corp. ("Centennial") hereby submits its initial Commercial Mobile Alert System ("CMAS") election notification, as required by the Third Report and Order in PS Docket No. 07-827, released August 7, 2008, and the corresponding Public Notice, DA 08-1866, released the same date.

Centennial is a Tier II CMRS provider, and through various subsidiaries, Centennial provides digital cellular, PCS and AWS service in 40 markets in the continental United States and Puerto Rico/the U.S. Virgin Islands. At present, Centennial is electing to participate in the CMAS in most, but not all, of the markets in which we operate. Attachments A and B to this notification provide more detailed information on the specific Centennial licensees and markets that initially will and will not participate in the CMAS. Centennial reserves the right to change our elections at a later date, as provided for in the Commission's Third Report and Order in PS Docket No. 07-827.

Please contact the undersigned if you have any questions regarding this notification.

Respectfully submitted,

/s/ William L. Roughton, Jr.
William L. Roughton, Jr.
Vice President, Legal and Regulatory Affairs
Centennial Communications Corp.

**Centennial Entities Participating in the
Commercial Mobile Alert System**

The following Centennial licensees elect to participate in the CMAS in the markets listed below.

Centennial attests that it: (1) agrees to transmit such alerts in a manner consistent with the technical standards protocols, procedures, and other technical requirements implemented by the FCC and (2) commits to support the development and deployment of technology for the “C” interface, the CMS provider Gateway, the CMS provider infrastructure, and mobile devices with CMAS functionality and support of the CMAS provider selected technology.
